PAYROLL PARTNERS

Small Businesses Benefit from PEOs.

Atlantic Payroll Partners is more than a payroll company, we are a Professional Employer Organization (PEO) that offers HR, payroll, benefits, tax administration, workers' compensation and other business solutions.

Comprehensive Solutions

Payroll

Do it online or have us do it for you!
Either way you get the human support you need with the technology to make it simple.

Workers' Compensation

Take the stress out of workers' comp by allowing us to handle it. We take care of claims and assist with getting your employees back to work with Return to Work Programs. Pay as you go, with no down payments or year end audits.

Accounting

Enjoy the best of both worlds with Quickbooks and our team. You don't have to be an expert, we'll fill in the gaps for you.

Employee Benefits

Compete with larger companies by offering a benefits package designed to attract and retain the best talent. Everything from Group Insurance Plans to 401ks.

Human Resources

We take the guess work out of HR. Our full service solution is designed to handle your employees during their life cycle with you. We keep you up to date with the policies and procedures that impact your business.

Onboarding

Seamlessly bring on new hires with an Onboarding solution designed to keep your business compliant with the Form I-9 and E-Verify, if applicable.
